A Trusted Business

One of the first things a potential customer will want to know is how trustworthy are you and how good is your customer service.

Your Precious Baby has recently been accepted into the Horley Trusted Business Listing.

Alison Dowrick, of Your Precious Baby, has had to meet strict criteria and meet stringent guidelines in order to be included in this list which is a scheme run by The Horley Chamber of Commerce. The Chamber's Trusted Local Business scheme is self-funding and non-profit making. Businesses have to prove that they offer a 1st Class service.

Your Precious Baby has received many wonderful testimonials since first opening up for business from satisfied customers who either received instruction in baby massage or had ordered a piece of bespoke silver keepsake jewellery. Here are some of the testimonials received from happy customers.....

"I found Alison to be very professional & trustworthy with the babies in order to demonstrate baby massage. Alison knew her baby massage subject very well so was able to put it across in an easy way for clients that have never done baby massage before, to learn it

well, in a nice and calm atmosphere.

The Baby Massage class definitely helped my son to relax & sleep....."

CB, Horley

"Me and my daughter really enjoyed the massage classes, and I've found it has helped her to sleep. We've really enjoyed meeting the other mums, and the chance to discuss anything after. I feel quite confident to carry out the baby massage on my own."

JR, Horley

"Alison was extremely helpful with deciding on the final design. There were several Emails offering ideas to make sure I got the design we wanted. I have already recommended Alison to friends and would definitely use her service in the future."

AC, Reigate

I would highly recommend Alison's keepsake jewellery. I am a very happy mummy! x

Keepsake Jewellery

By Alison Dowrick, Your Precious Baby

December was a busy month fulfilling Christmas orders for customer's loved ones and I most recently designed a special bespoke 40th birthday pendant keyring for a friend's husband.

Customers will explain whose prints and what kind of prints they wish to take and what kind of jewellery piece they wish to have. Then, I will either supply the kits for taking prints or offer to help them.

I use the prints to draw a variety of designs and the best one can be chosen. They can also plan to have a couple of words or names etched onto the back of the pendant. Each piece is bespoke.

Valentines and Mother's Day

With these special events fast approaching, Your Precious Baby strongly urges customers to place orders for keepsake jewellery as early as possible. Items can be sent off for Hall Marking and receive the Queens Silver Jubilee Mark as well as the standard hallmark and an extra 2 weeks should be allowed for this.

Small items can be delivered without the hallmarking and delivery can be within 2 weeks of taking prints. In special circumstances, we may even be able to turn an order around in less than a week, dependent on the item ordered.

Please contact Your Precious Baby on 01293 432844 or 07505 127052 or use the contact form on the website,
