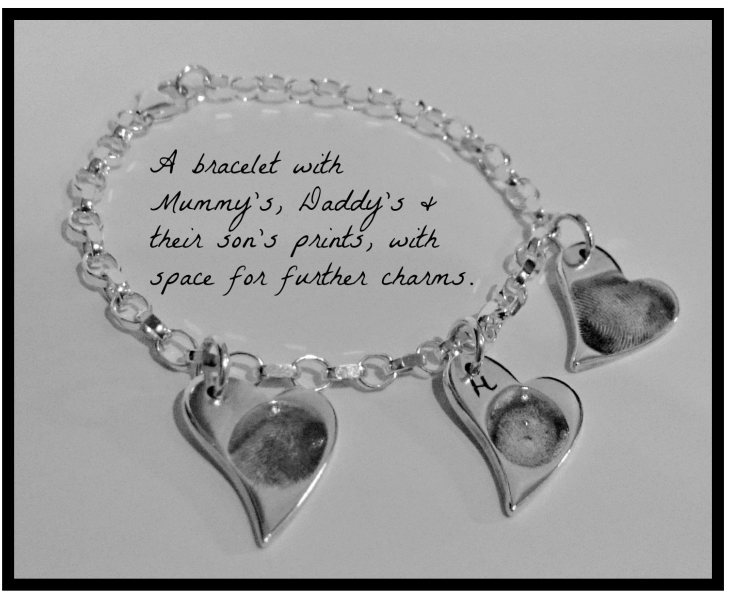
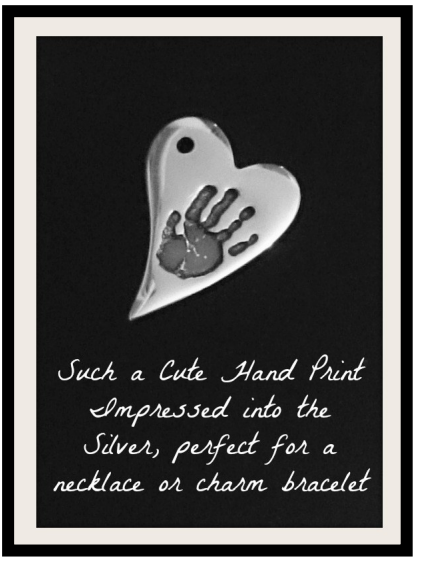
LATEST COMMISSIONS



I have been quite busy on the run up to Christmas with various be spoke orders for Silver Keepakes.

It was so lovely to see the pleasure on my customer's faces as they saw their keepsakes for the first time, and I would like to thank all my customers for the wonderful testimonials that they have kindly written for me.



There are some more examples of my work on the second page.

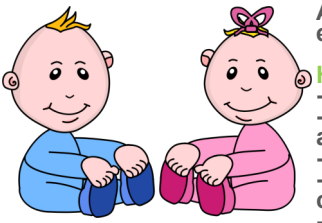
BABY YOGA CLASSES

The benefits of both baby yoga and baby massage are extensive, from helping with relaxation, sleep, coordination, colic, constipation, and so much more.

During the Baby Massage course we do a specific routine for colic, constipation and wind as well as a teething specific massage finishing with a complete body massage.



At BABY YOGA, we concentrate on a variety of exercises to help develop the babies further.

Help to teach your babies to....
- Relax and Self Calm
- become more flexible and have fun with stretches and movements
- Work with their natural reflexes
- Develop their coordination skills - helps with crawling and walking
- Learn to put their hands out to catch themselves when they fall

Great for Mummies and Carers too.....
- Relaxation methods
- Learn to be more adventurous with your baby in a safe and controlled way
- Can helps to lower blood pressure too
- and great for your overall wellbeing.

We do stretches and movements on the ground, on their fronts, on their backs, lying across us, or with us standing up with them in our arms. The classes are varied to keep the interest of the developing baby.

All little Yogis (Babies doing Yoga) are taught to be in control of their Yoga moves, as we only help them to move within their own limitations / flexibility / "will" and only until we can feel their resistance.

All my classes are priced extremely reasonably to enable more parents / carers to access these courses.

For more information about the classes or to make a booking, please telephone on 07505 127052 or email me at babymassage@yourpreciousbaby.co.uk

I am looking forward to meeting you at my fun filled and relaxing classes.
